

Sent on behalf of Jeff Ramsey

This holiday season, I'd like to take a moment to thank all of our employees for their contributions to our company and our communities. Many of you donate your time, talent and resources to causes that help make an important difference in our communities and in the lives of people less fortunate.

Last week in Corpus Christi, our employees hosted the 20th annual Shoes for Kids holiday party at the YMCA. Employees donated gifts for more than 150 students from TG Allen and Oak Park Elementary Schools. In addition to gifts, every child received a new pair of shoes and a sweatshirt.

In Minnesota, our employees provided holiday cheer for families in need across Dakota County through the Community Action Partnership by packing a truck full of gifts for families in need.

And in Wichita, our employees' support for the United Way's Angel Tree program is making the holidays brighter for many families who need help.

I'd also like to thank our many community partners who help us contribute to our communities throughout the year.

Happy holidays.
Jeff

Key Community Partners

Minnesota Zoo	The Page Foundation
